

Dr. Dick Barnes Group Schedule

These are MORE than just SEMINARS.

DR Dick
Barnes
GROUP

The Dr. Dick Barnes Group represents an abundance of talent brought together for the sole purpose of providing the most advanced and comprehensive continuing education that dentistry has to offer. Seminars and courses currently include the following:

Increase Your Production workshop, Over-The-Shoulder: Full Arch Reconstruction, Total Team Training for you and your staff, Implant EZ, Advanced Functional Occlusion and a two part Clinical Hands-On course. The unique benefit offered by the Dr. Dick Barnes Group is that doctors receive a higher concentration of training in a shorter amount of time and in a more intimate, productive setting.
